

If you are asked to become a member of the Four Seasons Rotary Club, below are some answers to some Frequently Asksed Questions.

To demonstrate your sincere interest in joining, you must attend three successive meetings. At that time you will be given an application and, once completed and submitted, your name will be brought before the Board of Directors. After board approval, your name will be "proposed" in The Four Seasons Rotary Club *Mountaineer* (bulletin), for any member to object. There being none, you will be inducted into the club at a future meeting.

There is a cost of membership in two areas, financial and time commitment. The financial cost includes an application fee of \$75.00 and quarterly dues of \$152.00. This includes your breakfasts and the optional "Sustaining Membership" fee. This is a donation of \$100.00 per year, divided into \$25.00 quarterly payments. Social events such as Founders Day Banquet, Holiday Party, etc. may have additional cost. Less formal social gatherings may not.

Equally as important as the financial commitment is that of time. Each Rotarian is expected to maintain at least 60% attendance at meetings. Make-ups can be earned by visiting another club, on line, or working on an approved activity, including attending a committee or board meeting. Service projects are the backbone of the Rotary organization and participation by all able members is expected.
